NATURAL WINES

The Litton is excited to bring a small selection of these organic, biodynamic & natural wines to your favourite pub! All wines listed below are vegan friendly & bottled with minimal sulphite.

SPARKLING	
2018 Lemoss Natural Prosecco (Italy)	36.00
Fermented and transferred into bottle whilst cloudy. The result is a very lightly sparkling cloudy wine tasting of lemon, apple sherbert, ginger biscuit and jasmine.	

WHITE	
2018 Pas D'Histoire Le Blanc (France)	30.00
A blend of organic grapes (Marsanne, Roussane, Grenache Blanc, Viognier) similar to that made famous in the Rhone valley. Super delicate white with soft notes of peach, pear, blossom and lemon peel.	

2018 Aphros Loureira (Portugal)	48.00
Aphros are a biodynamic winery located on clay slopes of the Lima river hills in Vinho Verde. This wines produces super soft notes of lime, apples, minerals and lemon blossom.	

RED	
2018 Christoph Muret (France)	35.00
Christoph is mad about Syrah. He has recently converted all three of his vineyards to organic practicing. He harvests his grapes a little late and vinifies his juice in temperature regulated stainless steel. This is a big bold Syrah with plush notes of blackcurrant, cherry jam, pepper and plum.	

2017 If Life Gives You Legrein (Australia)	45.00
The juice is obtained from organically grown Lagrein from a local vineyard. The juice is fermented using wild yeasts in stainless steel and aged for 12 months in french oak. This is a deep inky wine with soft rounded notes of black cherry, bramble, menthol and chocolate.
